

## **RSHM - REGION OF MOZAMBIQUE**

### **REGIONAL CHAPTER 2019 STATEMENT**

*“Jesus Christ has chosen you to be the continuation of his existence, to accomplish the great Work of Redemption. (Gailhac). Our manner of living should be appropriate to the followers of Christ.”* It is accordingly that we, Religious of the Sacred Heart of Mary, gathered in the Regional Chapter with the theme **"following Jesus Christ as disciples"**, guided by the Holy Spirit, we recognize God's gift in us and holding hands together to build up our Region, we want to consolidate:

- Having Christ as the Focus / Center of our personal and community life;
- Being faithful to our Founder's Charism;
- Witnessing the Vow of Poverty, living in solidarity with the poor in a world where the material goods become the absolute;
- Living unity in diversity and promoting new life;

#### **And we commit ourselves to:**

- Engaging in Life-Long Formation;
- Caring for our furniture and real estate assets;
- Continuing to invest in Vocational Awareness;
- Initiating the Planning process and restructuring our Region.

We entrust to the Immaculate Heart of Mary and our Founders, the achievement of these commitments.
