

Rekindle the Gift. . .
It is Time to Recreate the Future!

Portuguese Province

Provincial Chapter
1ª PART – July 31 - August 6, 2018

"I remind you to rekindle the gift of God that is within you ..." (2Tm 1,6)

***"Responsible for this gift, we
ask of God
openness to the Holy Spirit,
attentiveness to the Word active in our world, continual
conversion of heart."*** (Const. 4)

Faithful to our Charism and Heritage, we want to rekindle our commitment to be attentive to the calls of the Church and the needs of our world that are emerging in rapid change.

In all our communities, ministries and wherever we are present, we commit ourselves to the promotion of human dignity, justice and sustainability of the Planet and other urgencies, in collaboration with the Institute Networks (JPIC and NGO) and other partnerships.

Looking at the Institute projections for the next 15 years (human and financial resources) we feel the urgency to "rekindle the Gift of hope"!

Therefore, we commit ourselves to:

1. Elaborating a plan of reviving communities, ministries and our presence
2. Rekindling our commitment to vocational awareness
