

RSHM ZAMBEZI REGION CHAPTER STATEMENT 2018

*Called to Continue the Mission of Christ,
Planning the Way forward in Hope,
United in Love and Service*

Inspired by the words of Gailhac “*the works we are doing are not just temporary, but ones we would like to see last until the end of time, because these works are nothing less than the continuation of the work of Redemption.*” We, Religious of the Sacred Heart of Mary, filled with enthusiasm, trusting in the Holy Spirit, dare to step into the future in hope. In the Region and in all our communities we continue to grow in our life and mission by:

- ❖ Strengthening Communities
- ❖ Promoting Vocations
- ❖ Maintaining Good Stewardship
- ❖ Strengthening our existing Ministries and developing new Ministries

In all these we will be keeping alive the global vision through the lens of Justice Peace and Integrity of Creation (JPIC).

We commit ourselves to:

- Be surprised by the NEW and to ACT upon it.
- To live the Paschal Mystery, keeping hope alive and responding to what God is calling us to be and to do.

We believe that these commitments will be made concrete through the five year strategic plan of 2019 – 2023 and incorporating the outcome of the 2019 General Chapter.

Holy is this work now beginning...

The fruit of this work offers nourishment

to generation after generation

for those who harvest it.

(Ann Johnson, Magnificat of Now)
