**Because all creatures are connected each must be cherished
with love and respect.** Laudato Si 42

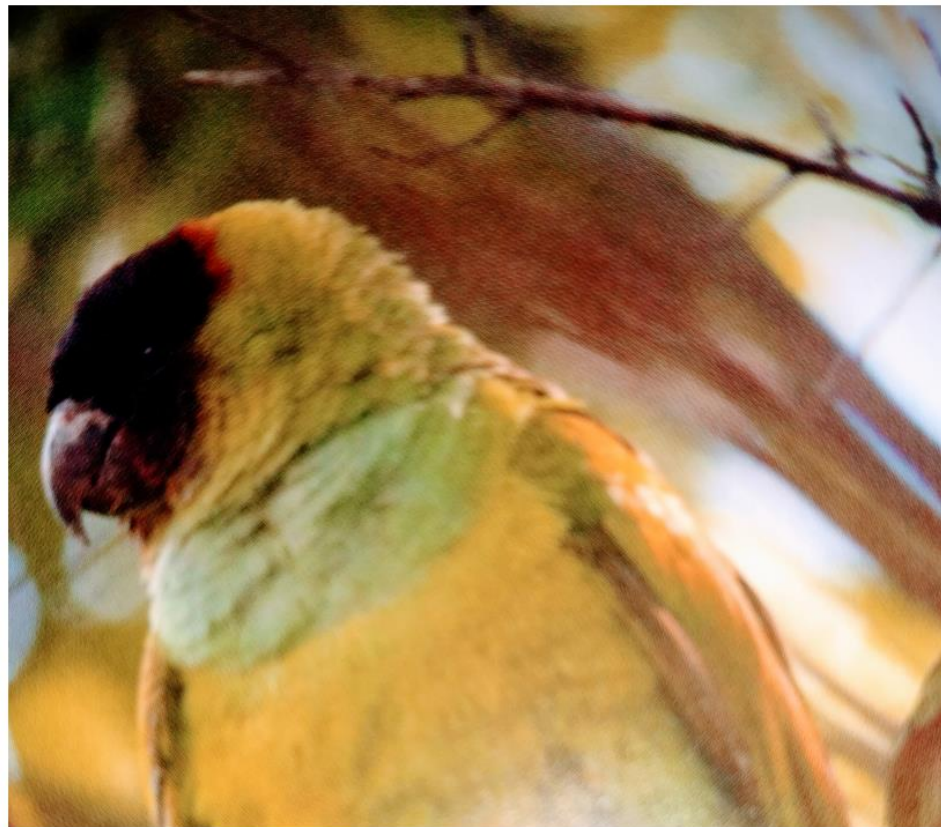

**Since 1970 global wildlife populations have declined
by two-thirds** Stockholm Environment Institute

The one who is truly risen sees God in everything

Gailhac - 29 March 1883

**Industrialization, mass consumption, and transformations in agriculture
have brought the living world to a crisis point.** • Stockholm Environment Institute

Creation in its entirety was made in God's image. God created the heavens, the trees, the plants, the animals that roam the earth and the birds of the sky. *Gailhac 1873*

**We have caused an ongoing mass
extinction of species.** Stockholm Environment Institute

**God loves all creation and all creation is nothing but a
revelation of God's love.**

Gailhac - 9 Nov Gailhac 1877

Our attitude toward nature is today critically important simply because we have now acquired a fateful power to alter and destroy nature.

Rachel Carson

It is urgent to change course. Stockholm
