

RSHM JPIC–UN NGO Statement 2024

As Religious of the Sacred Heart of Mary (RSHM), impelled by the call of Gospel justice, to open our hearts to welcome all God's people, and respond to those who are poor, suffer violence, and are victims of war and natural disasters, we commit ourselves to prayer and effective action in working against violence in all its forms, especially addressing the causes of climate crisis.

As women who network, collaborate and advocate, we commit ourselves at local, national, and international levels to work with ecumenical, interfaith and civic groups in responding to the grave injustices of our times.

RSHM: an international congregation of Catholic women religious.
